

## I-205 Potential DBE Opportunities

### Stormwater and Trenching

12 - 24 Inch Ductile Iron Pipe, Various Depths	Removal of Inlets
Storm Sewer Pipe, Various Depths	Removal of Manholes
Combination Pollution Control/Diversion Manhole	Removal of Pipes
Concrete Manholes, Diversion	Stormwater Planter, HA06
Adjusting Inlets	Temporary Drainage Facilities
Inlet Protection	Culvert Drainage Markers
Major Adjustment of Manholes	Ductile Iron Pipe

### Temporary Work Bridges and Access Roads

Construct and Remove Temporary Access Road	Construction Entrance
Construct PPC Overlay	Temporary Work Bridges
Construct PPC Overlay	

### Concrete

Concrete Surfacing	Deck Concrete, Class HPC4500
Concrete Curbs, Curb and Gutter	Deck Concrete
Concrete Driveways	Drainage Curbs
Concrete Inlets	Drilled Shaft Concrete
Concrete Islands	General Structural Concrete
Concrete Slope Paving and End Sections	Retaining Walls
Concrete Stairs	Slope Paving Curbs

Concrete Walks	Temporary Curb Ramps
Concrete Washout Facility	Reinforcements
Continuously Reinforced Concrete Pavement	

#### Drilled Shafts

Drilled Shaft Excavation	Drilled Shaft Reinforcements
--------------------------	------------------------------

#### Electrical

Electrical System Installation, Fiber Relocation	Telecommunications, Installation, Splicing, and Testing
Electrical System Installation	Temporary Illumination
Flashing Beacon Installation	Temporary Ramp Meter
Girder Illumination	Temporary Traffic Signal
Luminaires, Lamps, and Ballasts	Underdeck Illumination
Navigation Lighting	Switching, Conduit, and Wiring
Removal of Electrical System	

#### Vegetation and Planting

Bioretention Pond	Sediment Barrier
Compost Erosion Blanket	Seedling Trees, Deciduous
Erosion Control	Shrubs
Broadleaf Evergreen Trees	Water Quality Seeding
Compost Mulch	Weed Control
Conifer Trees	Wetland Seeding
Deciduous Trees	Wildflower Seeding

Irrigation	Wood Chip Mulch
Native Shade Seeding	Water Quality Bioretention Swale
Native Shrub and Forb Seeding	Temporary Drainage Facilities
Permanent Seeding	Stormwater Planter, HA06
Plant Cuttings, Greater Than 1 Inch	Streambed Enhancement
Riparian Seeding	

### Excavation and Trucking

Subgrade Stabilization	Streambed Enhancement
Camera Poles and Foundations	Subgrade Geotextile
Check Dam	Temporary Interceptor Dike/Swale
Clearing and Grubbing	Temporary Rock Fall Containment
Contaminated Soil Management	Temporary Sediment Trap
Crosswalk Closure Supports	Temporary Work Access and Containment
Filling Abandoned Structures	Bridge Drains
Matting, Type A	General Excavation
Pole Foundations	Structure Excavation
Removal of Structures and Obstructions	Removable Bollards
Riprap Removal	Removal of Inlets
Shoring, Cribbing, and Cofferdams	Removal of Manholes
Sign Support Footings	Removal of Pipes
Soil Conditioner	Riprap Basins
Stone Embankment	

### Guardrail

Guardrail, Anchors, Connections	Temporary Guardrail Terminals
Impact Attenuator	Temporary Impact Attenuator

### Professional Services

Coast Guard Permit Compliance	Pre-Survey
Construction Survey Work	Public Outreach
CSL Test Access Tubes	Shaft Inspection Device Tests
CSL Tests	Soil Testing
Design Drawings	Thermal Integrity Profile Tests
Micropile Proof Load Test	Turbidity Monitoring
Micropile Verification Load Test	Janitorial
Post-Survey	Security

### Asphalt Paving

#### Signage and Traffic Control

Temporary Flexible Pavement Markers	Concrete Barrier
Temporary Signs	Concrete Barrier, Tall
Temporary Striping	Flaggers
Triangular Base Breakaway Sign Supports	Milepost Marker Posts
Truss Sign Bridge	Moving Temporary Barrier
Type "F" Concrete Rail	Permanent Type III Barricades
Vertical Sign Mounts on Existing Structures	Pilot Cars

Wood Sign Posts	Pipe Sign Supports
Signs, Standard Sheeting, Extruded Aluminum	Portable Changeable Message Signs
Signs, Wide Angle Sheeting, Extruded Aluminum	Portable Traffic Signal
Monotube Cantilever Sign Structures	Remove and Reinstall Existing Signs
Multi-Post Breakaway Sign Supports	Remove Existing Signs
Pavement Bar	Repair Temporary Impact Attenuator
Pavement Legend	Strip Seal Replacement
Pedestrian Channelizing Devices	Strip Seals
Perforated Steel Square Tube Anchor Sign Supports	Temporary Barricades, Type II
Secondary Sign Mounts	Temporary Plastic Drums
Securing Concrete Barrier	Traffic Control Supervisor
