

I-205 IMPROVEMENTS

Stafford Road to OR 213

JULY 2021

WWW.I205CORRIDOR.ORG

CONSTRUCTION BEGINS IN 2022

The I-205 Improvements Project will improve our economy by providing Oregonians safer, more reliable access to work and critical services, even after an earthquake or other major disaster. We are constructing the project in phases, with the first phase (Phase 1A) beginning in late spring/early summer of 2022. Learn more about project phasing at www.i205corridor.org.

KEY PHASE 1A IMPROVEMENTS INCLUDE:

- Earthquake-ready improvements to the Abernethy Bridge.
- Removing the current I-205 northbound on-ramp from OR 43 and replacing it with a roundabout.
- Realigning or widening the on- and off-ramps at OR 99E.
- Improvements for people who walk and bike on OR 43, Clackamette Drive and OR 99E.
- Sound wall near the southbound lanes of I-205 at exit 9.
- Widening I-205 in the Phase 1A project area to allow a third travel lane in each direction. The final lane configuration will be completed in a future phase.

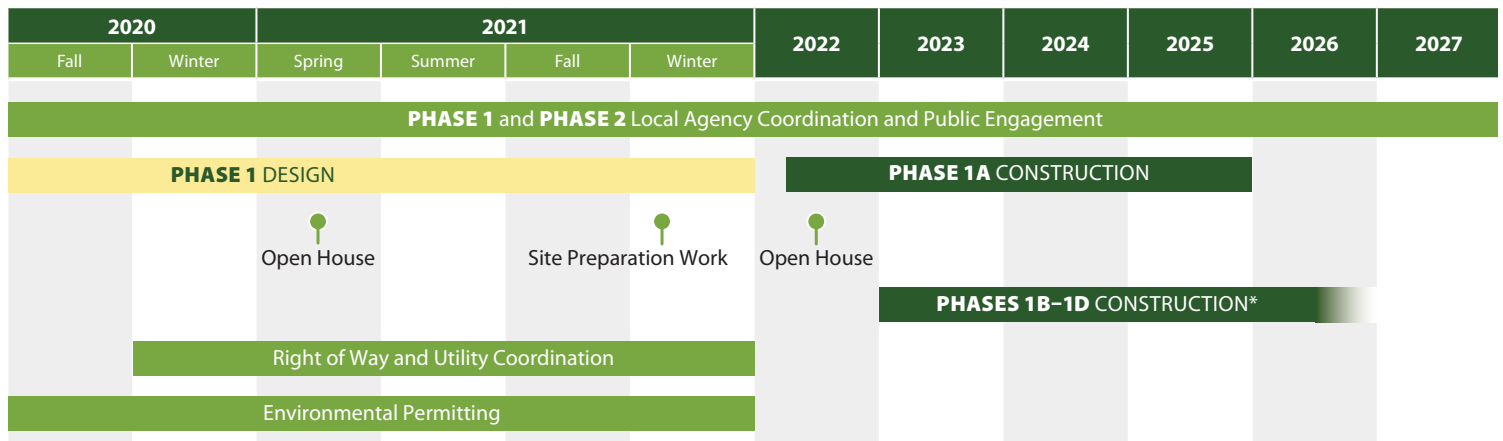

Tree removal will occur on each bank of the Willamette River underneath the Abernethy Bridge in Oregon City and West Linn to provide construction access for Phase 1A. This work will occur in the fall of 2021 to avoid nesting birds and heavy rain.

Visit www.i205corridor.org to sign up for email updates and learn about any traffic impacts or route detours once construction begins. Anticipated impacts include:

- Full weekend, nighttime directional closures and on- and off-ramp width restrictions.
- Full nighttime freeway closures later in the construction process, anticipated in 2024.
- Detours for I-205 northbound and southbound travelers and those traveling to local destinations in and around Oregon City and West Linn during freeway closures.

SCHEDULE

*Scheduling of Phases 1B, 1C and 1D is currently tentative and will be refined fall 2021.
